Fairfield Animal Hospital Overnight Nursing Care

All patients being sent to Fairfield Animal Hospital for overnight nursing care must meet the following:

- Patient is to be picked up and brought to Fairfield Animal Hospital by Fairfield staff or referring clinic staff **only**.
- Please inform the owner that we will only contact them in case of an emergency. It is up to the regular DVM to update the owner once the patient is transferred back in the morning.
- Visiting is not available for overnight nursing patients
- All charges will be billed to referring hospital unless otherwise specified.
